

Molex L2PK00.A

Technical specifications

- suitable for J1 Joystick
- available in different lengths

Material information

Attribute	L2PK00.A
Cable material	Weich-PVC

Environmental conditions

Attribute	L2PK00.A
Min. storage temperature	-40 °C
Max. storage temperature	85 °C
Min. cable temperature range, moving	-20 °C
Max. cable temperature range, moving	85 °C
Min. cable temperature range, fixed installation	-40 °C
Max. cable temperature range, fixed installation	85 °C

Connection

Attribute	L2PK00.A
Connector type	Molex Micro-Fit
Cable type	Lify-t
